## BLUEBERRIES

One of the finest of the small fruits. Bears from July to September. A mature bush yielding from 12 to 16 quarts per season. For home gardens, 3 to 4 bushes should provide delicious pies through the Summer.

An excellent ornamental with neat, clean Summer foliage which changes to beautiful tones in Autumn. The creamy white flower clusters are followed by the striking blue fruits.

Varieties: CONCORD, JERSEY, RUBEL, and RANCOCAS

4 yr. old plants, bearing age—Each \$2.50
